2021 – 2023 | 68.6%

- **Matriculation (SSC)**

AP Model School & Junior College, Kanigiri.

2020– 2021 | 8.5 CGPA

TECHNICAL SKILLS

- Languages: Core Java
- Databases: SQL
- Web Technologies: HTML5, CSS3, JS
- Soft Skills: Problem-Solving Skills, Communication
- Actively Learning: Node JS, MongoDB

PROJECT

College Result Portal

Developed a responsive college result portal to simplify result access by replacing PDF-based result sharing with an easy-to-use web interface. The website includes Home, Results, News, CGPA/Percentage Calculator, and About pages, providing students with quick result searches and basic college information. Built using frontend technologies without a database and hosted on GitHub, helping me gain practical experience in web development, UI design, Git, and GitHub version control.

INTERNSHIP

Completed a 2-month Online Web Development Internship at ExcelR Edtech Pvt. Ltd. in collaboration with APSICHE. Gained hands-on experience in HTML, CSS, and JavaScript, strengthening front-end development, problem-solving, and debugging skills through practical assignments.

CERTIFICATIONS

- Online Internship in Web Development – ExcelR Edtech Pvt. Ltd.
- Internet of Things (IoT) – NPTEL
- HTML & CSS – Great Learning
